

Lone Soldier Survey

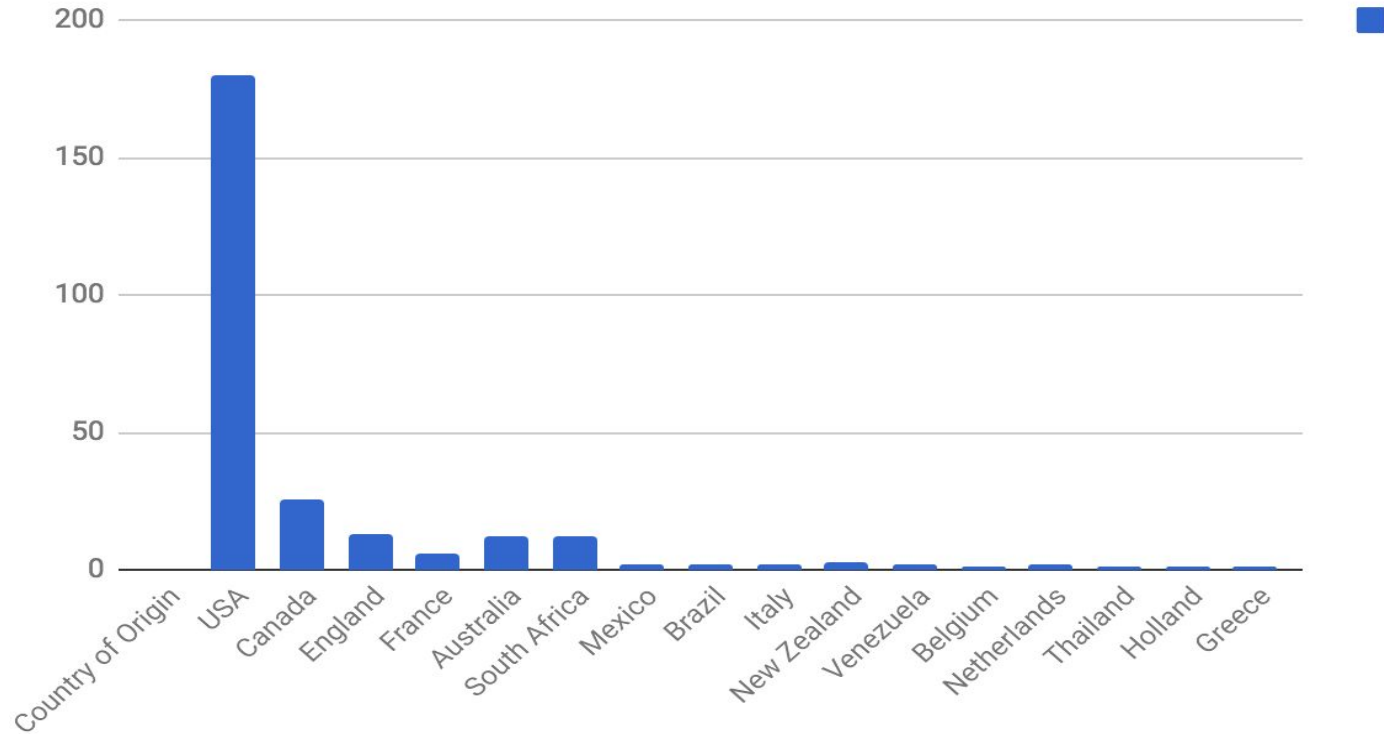

MAY 2018

English Speaking Survey Respondents
(298 soldiers)

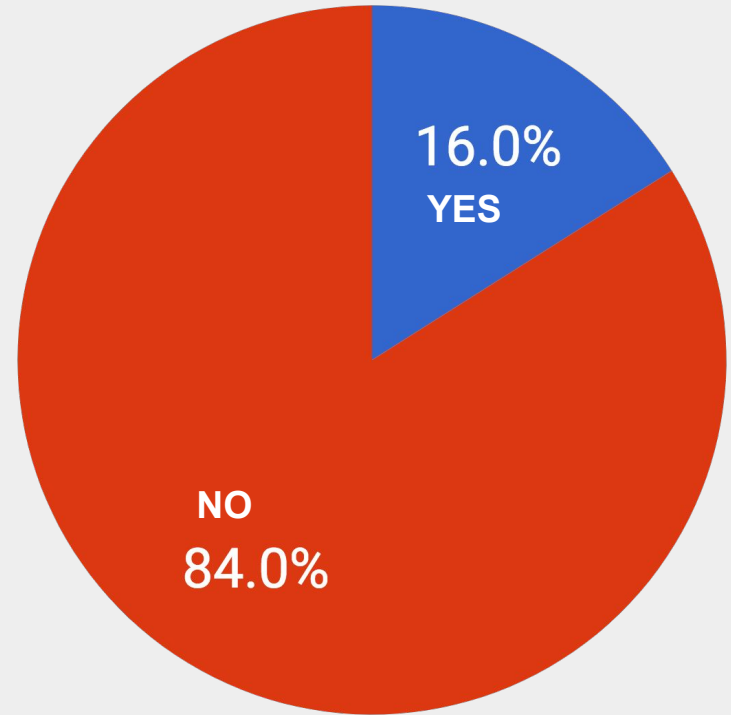

**Upon arrival in Israel,
did you have a room
to sleep in?**

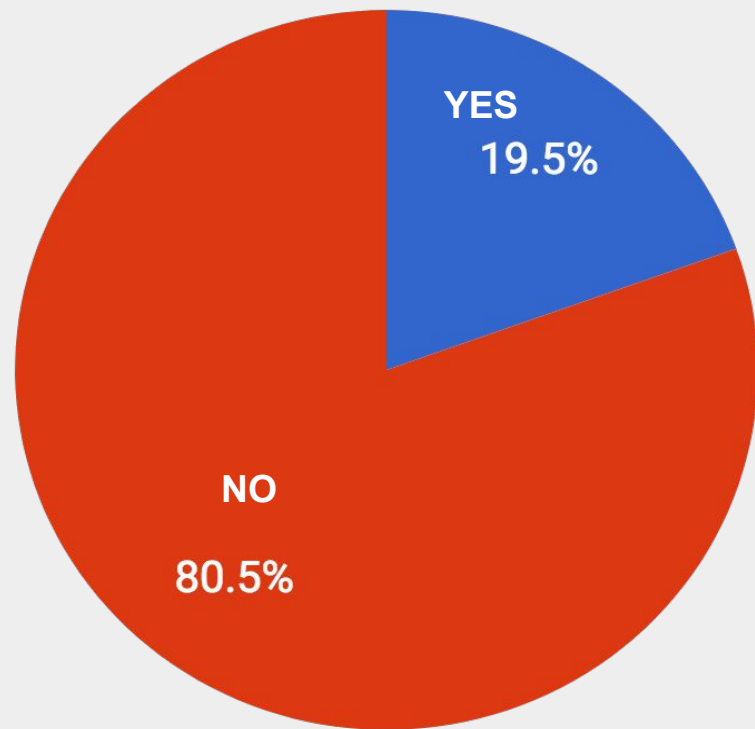

What country are you from?

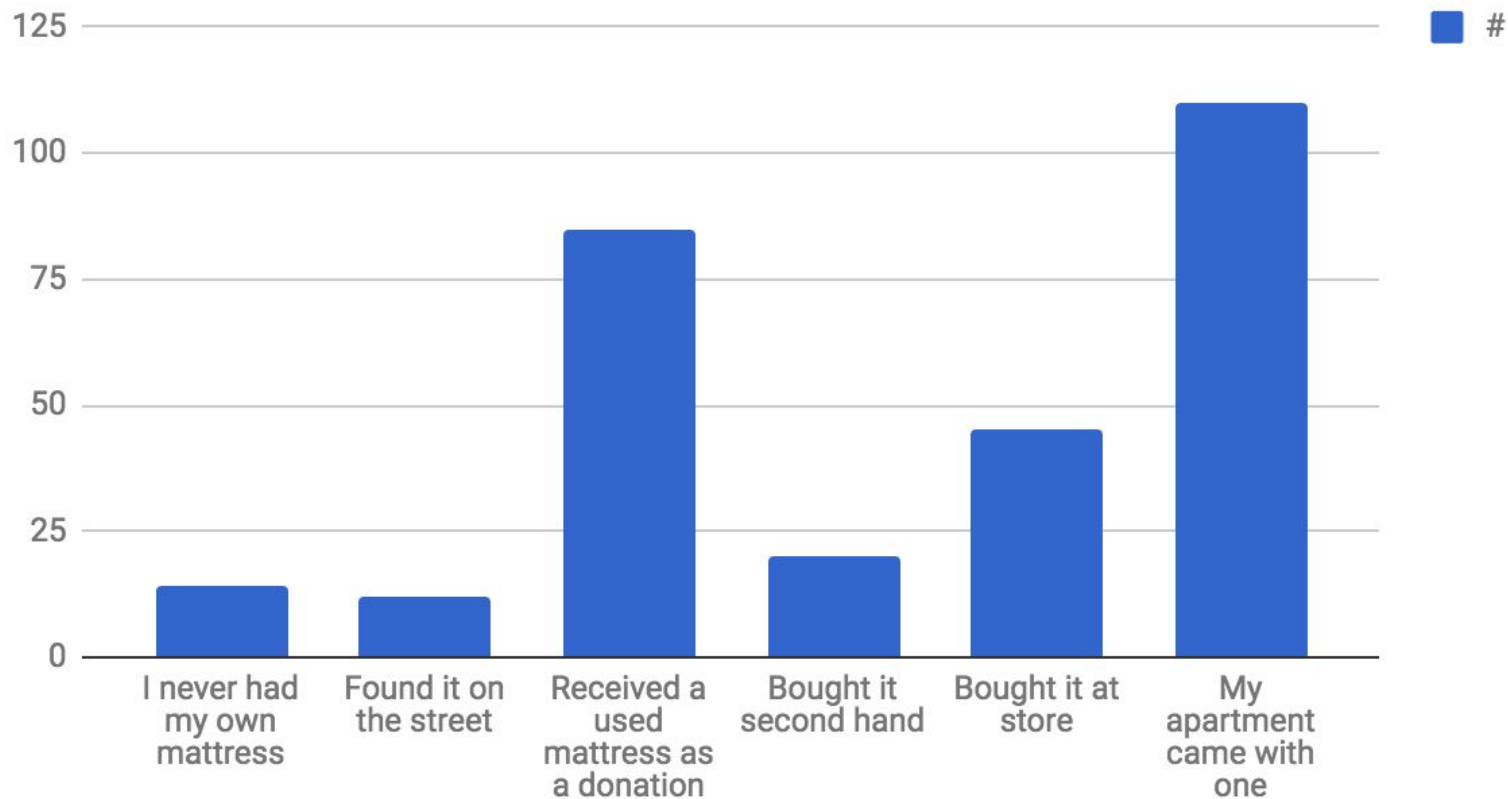

Did you live for 6 months or more with an adopted family?

During your IDF service, did you ever lack a place to live?

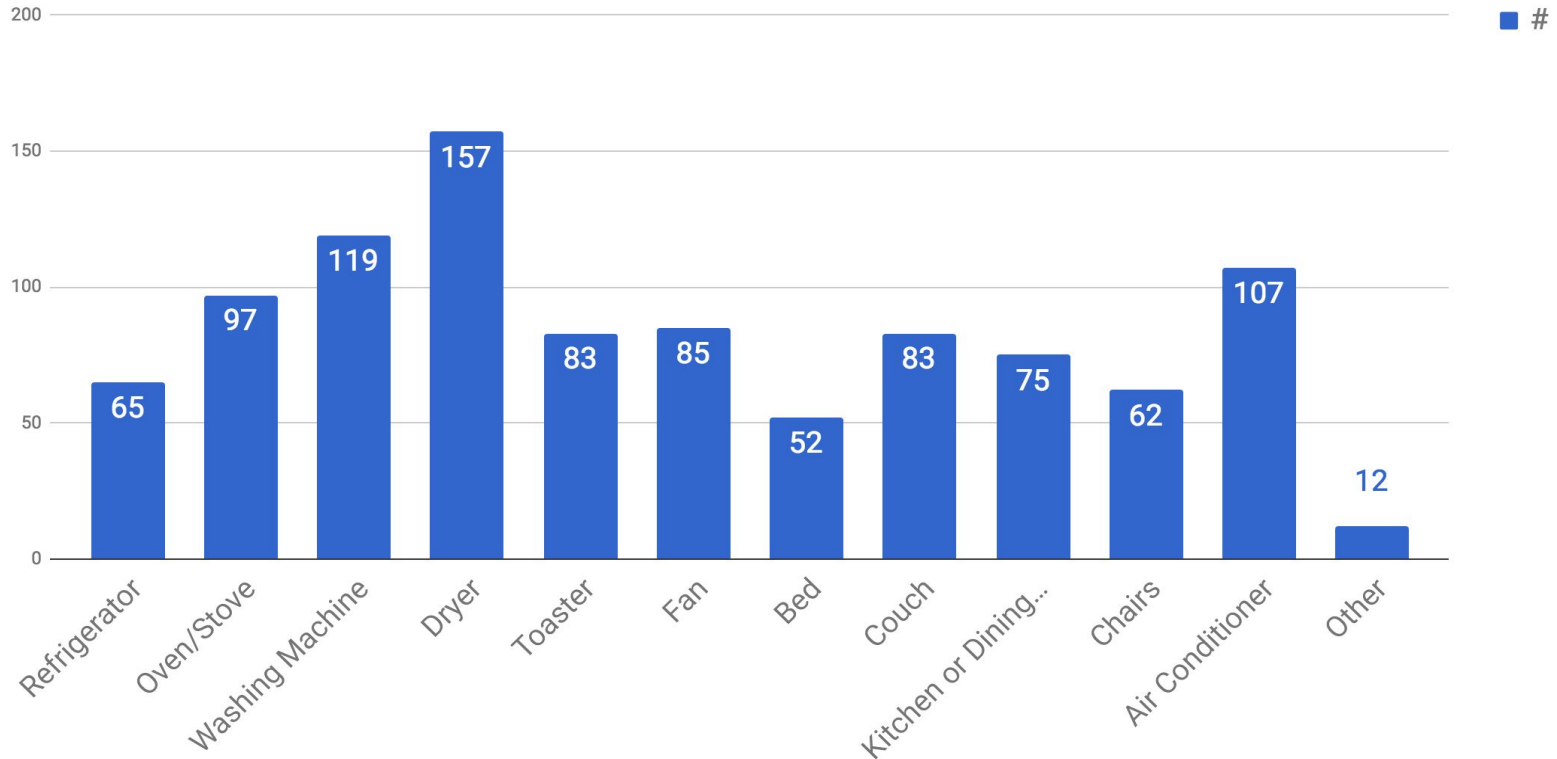

Where did you get your mattress?

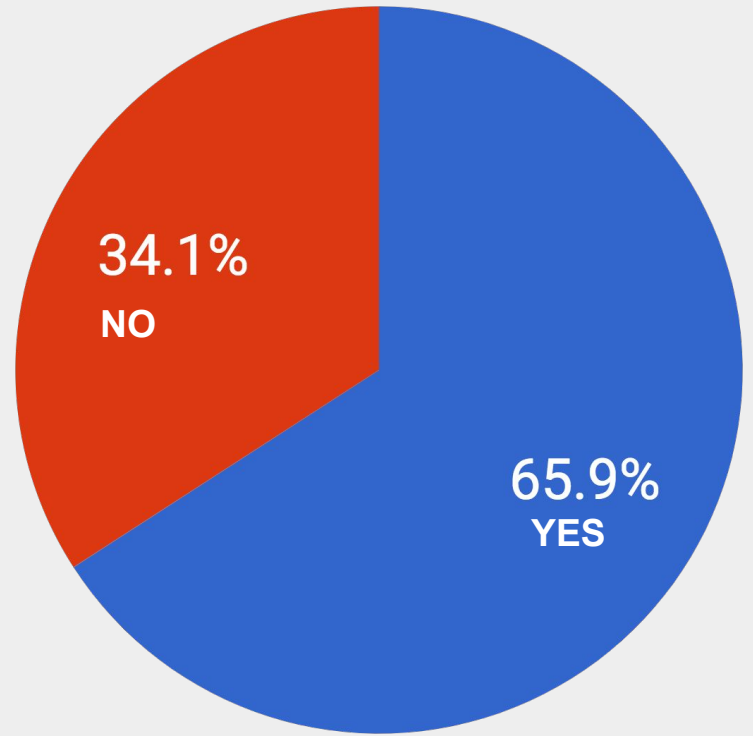

Do/did you lack basic items during IDF service?

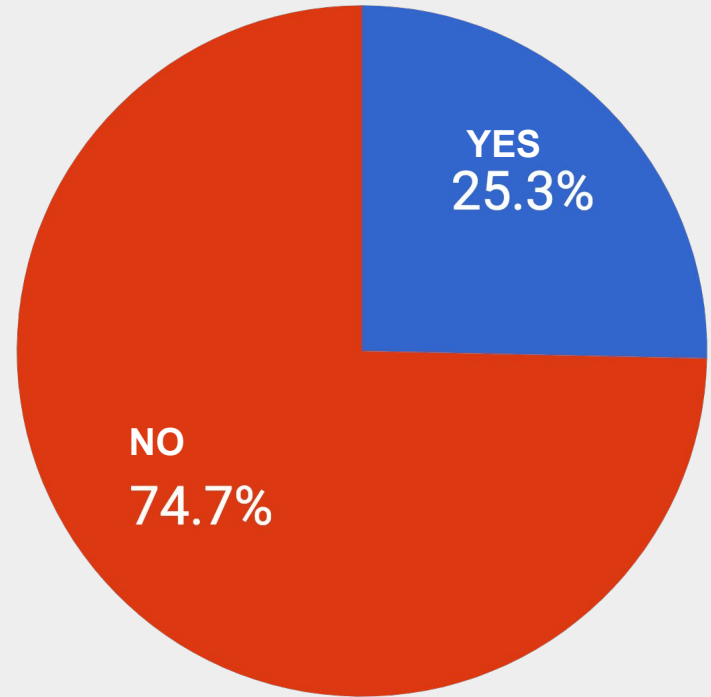

Check all that apply.

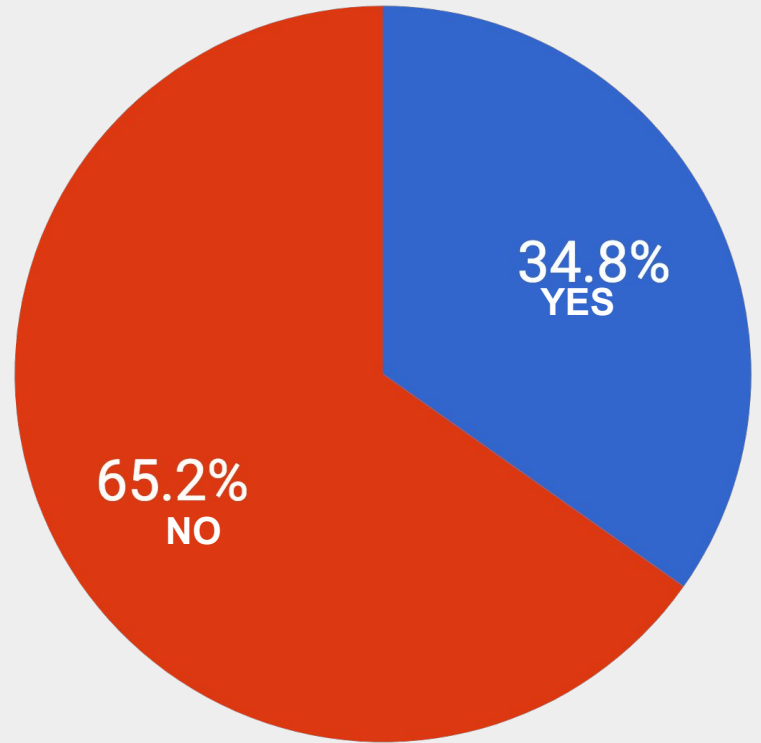

Do/did you have a properly functioning stove/oven in your apartment?

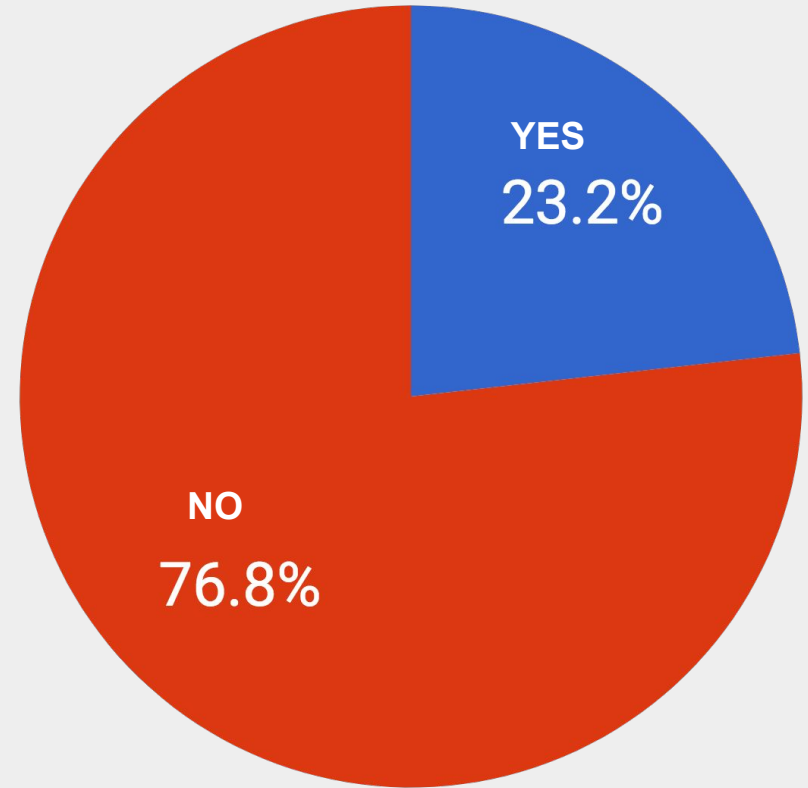

Do/did you have food waiting in your fridge when you returned home from base?

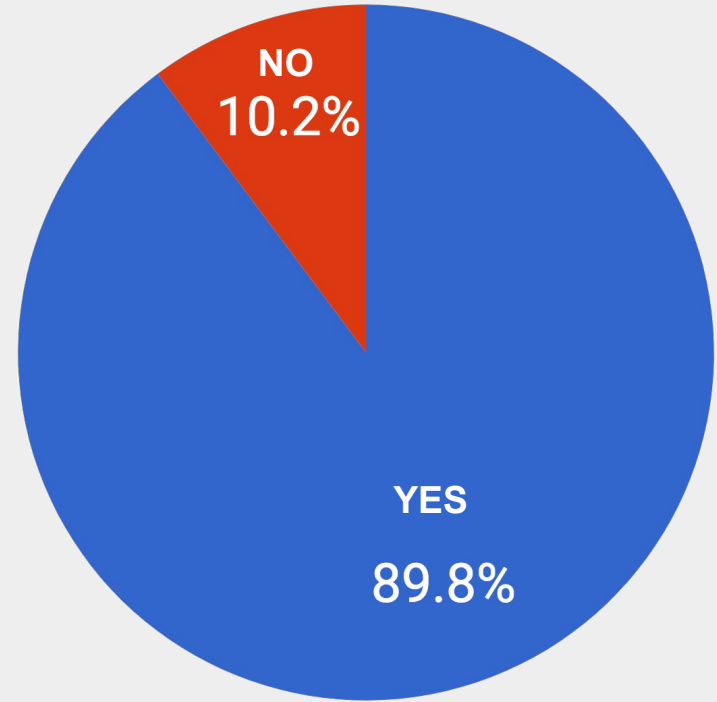

Have you needed legal support/help for issues with landlord?

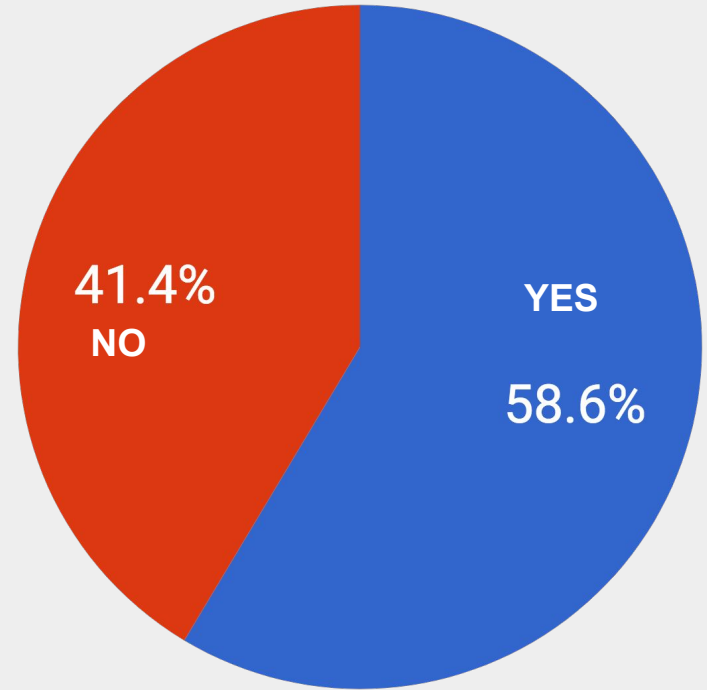

Did your parents give you \$100 a month or more throughout your IDF service?

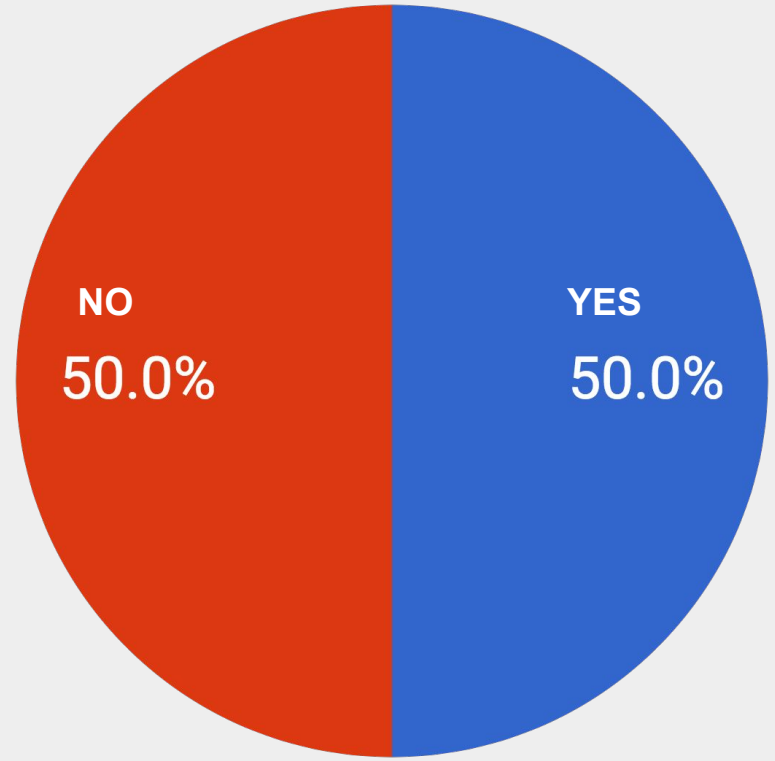

If you did not receive financial support, did/do your parents support your service morally?

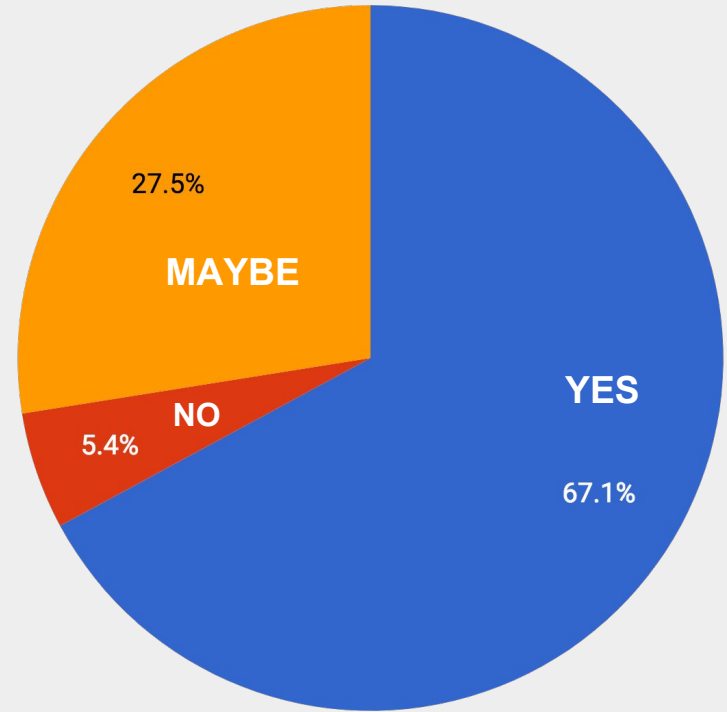

Have you had less than 4,000 NIS in your bank account at any point during your service?

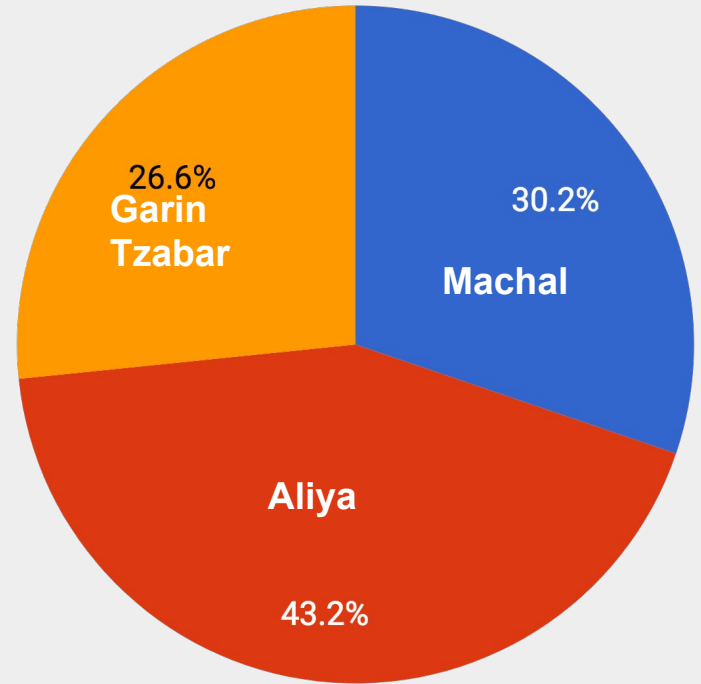

Was there a Shabbat meal where you did not have a place to eat?

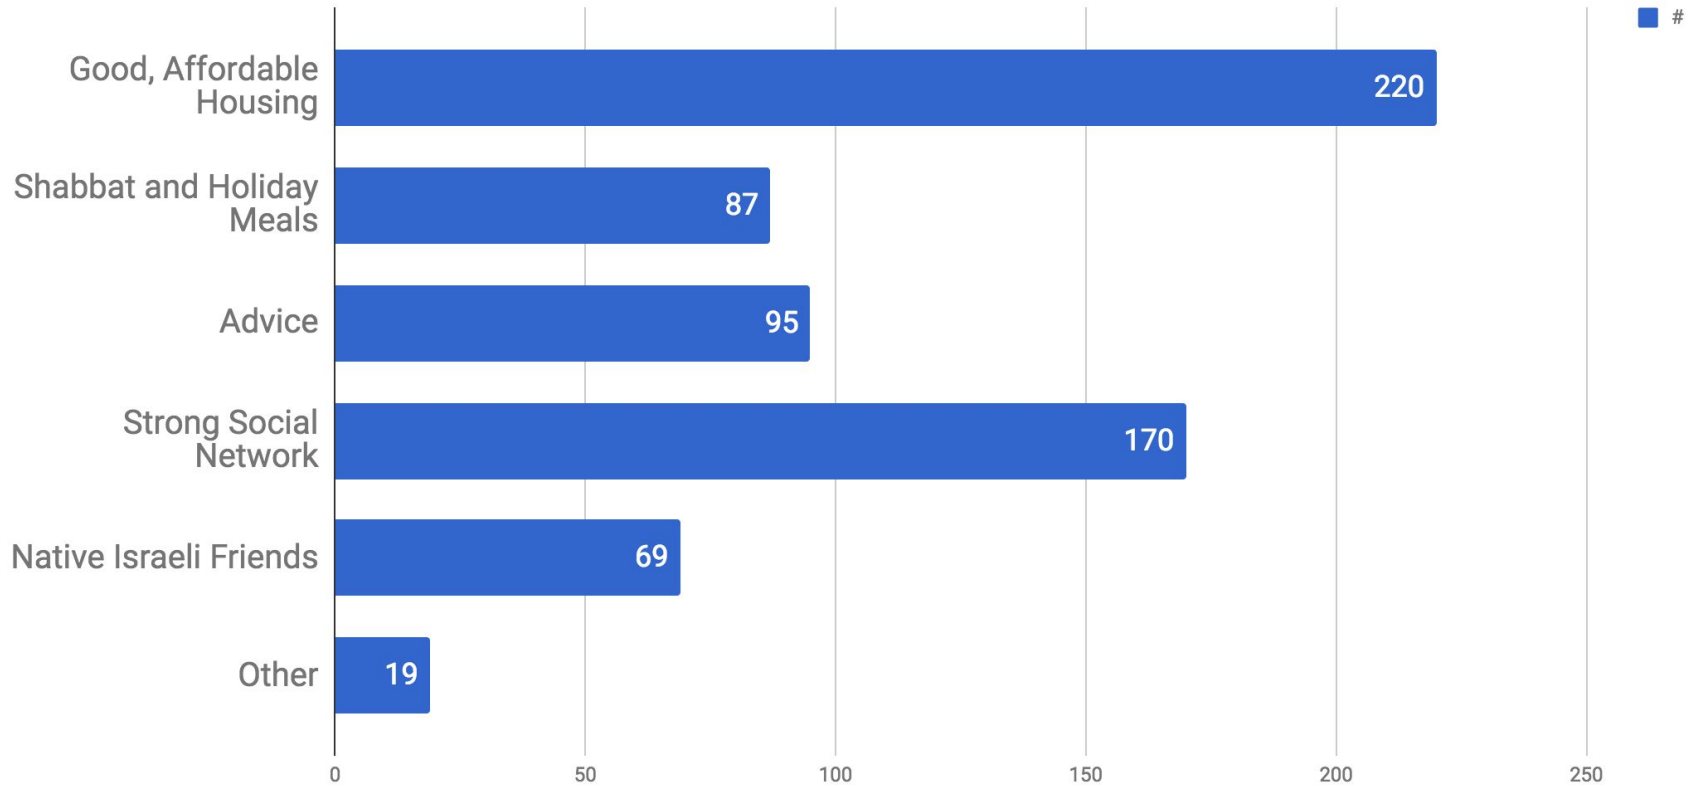

**Do you ultimately plan
to live in Israel?**

**In what framework did
you draft?**

What is the biggest need for lone soldiers?

Where would you ideally want to live during service?
